

# DEPARTMENT OF MECHANICAL ENGINEERING

## HOW TO GET INVOLVED IN UNDERGRADUATE RESEARCH IN ME

Step 1: Consider the 3 different ways you can get involved

Research for  
class credit

Research for  
hourly pay

Volunteer for  
Research

Step 2: Identify research opportunities that fits your goals from  
<https://me.utdallas.edu/undergraduate/undergraduate-research-in-me/>

Contact research faculty, and if approved, take appropriate next steps

Review Checklist for  
Research and Submit  
REQUEST FOR  
INDIVIDUAL  
INSTRUCTION

Faculty submits  
request to hire to  
ME Dept

Faculty requests  
needed access to ME  
Dept
